

EUROCUP NEWSLETTER

3 April 2003

Nürburgring

A fortnight to go before the opening rounds of the Autosport Caterham Eurocup; I think everyone will agree that the entry list published earlier this week is a pretty impressive one with some very strong candidates for success in both the R400 and the Roadsport classes. It's going to be a cracking season.

There have been no revisions to the timetable, which remains:

Friday 18 April

1250 Free practice (20 mins)

1705 Qualifying (20 mins)

Saturday 19 April

0905 Race 1 (30 mins)

1600 Race 2 (30 mins)

I will be distributing as many passes as I can at Rockingham and Donington this weekend. If you don't get them there, they will be mailed to you...

I will be travelling to Germany during the Thursday and at the track from Friday morning, in company with our scrutineer Ian Millar. If you need to raise me at all during the weekend, my mobile number is +44 7803 274701.

The other contact name and number you will find useful is Wolfgang Becker, mobile +49 172 260 4042, who is our contact in the German Caterham Club. Wolfgang can help with any translation problems!

Some of you are new to the Eurocup and possibly new to racing outside the UK, but I'm sure you'll find most of the procedures pretty similar and straightforward. You'll need to sign on in

the race administration office and there will be pre-event scrutineering as in the UK. There will be a massive awards ceremony, time and venue to be advised, after each race, with many cups and lots of fun. Please do your best to attend.

The only decals you are required to carry on the cars will be Autosport ones and also a pair of Eurocup stickers. Our German friends will also provide a few decals, notably Yokohama ones. Please cover/remove any Avon branding from your cars.

Spa-Francorchamps

The full Spa timetable is attached; here are the salient points:

Friday 16 May: Free training 0935;
Qualifying 1200; Race 1 1515

Saturday: Race 2 1255

This is a very convenient format for all, particularly those of you who need to get back for Roadsport Challenge duty on the Sunday!

If any of you are thinking of flying back, there's a British Midland Heathrow flight ex Brussels at 1915 Saturday.

Entries close on Monday 28 April.

Already entered are: Reader, Constable, Mitchell; Robin son, Frost, Cooper.

That's it for the moment...
