

CATERHAM ROADSPORT CHALLENGE

NEWSLETTER

JANUARY

2003

Here we are again, at the start of another exciting Caterham Roadsport Challenge. Happy New Year to every one!

2003 PROVISIONAL CALENDAR

I have attached provisional calendar for you. These dates are as confirmed as can be at this moment in time by the BRSCC, but as always they are subject to change.

As you can see we have a total of 12 rounds but having been able to secure **five** Double Headers (two races per weekend) it only means being away for 7 weekends, which is good news for you and your families!

There is a gap between the first and second round which gives you all a fantastic opportunity to compete in the first round of the 2003 Autosport Caterham Eurocup at Nurburgring on the weekend of 18-20th April, which is Easter Weekend. A great opportunity of taking the family away for an Easter break.

You are eligible to take part in the Eurocup when you register for the Roadsport Challenge. All you need is a National A licence, a catalytic converter, and a change of tyres to Yokohama. If you wish to sign up for the Eurocup please contact Nick Carter on 01530 416571 Email mail@superlight.org

EUROCUP DATES

They have arranged a 3 day pre-season test at Guadix circuit near Granada for the dates 24 to 26 February. This is an exclusive hire and is a wonderful chance to combine sun, Sangria and shakedown. Give Stephen Worley a ring on 01787 478 800 or E mail him at stephenw@hyperionmotorsport.com
