OCTOBER

JUDICIAL

The attached documents relate to the scrutineering issue that arose at the Brands Hatch meeting in June, when A. Demetriou was excluded from the meeting and his points docked accordingly. Following a successful appeal to the MSA, his points have now been re-instated, which means that he takes a healthy lead into the final round at the Festival, where the championship will be decided.

getting some indication of what some of you are going to be doing and am very happy to see so many of you deciding to stay within the ladder of Caterham racing.
