Donington Park

Some final points ahead of our first rounds this weekend. I'm sure it's going to be a fantastic weekend of racing and I'm looking forward to meeting those of you I have not yet met and reacquainting myself with the rest of you...

You'll find me in and around the Caterham Race Centre in the Paddock throughout Saturday and Sunday; if I'm not immediately apparent then try my mobile, 07711 713082.

The other people you'll need to meet at Donington are our new scrutineer, Ian Millar; Dave Pierre, our new permanent clerk of the course; my husband, Nick Carter, who assists me and handles all the PR; Alan Sycamore, who runs the race centre; and Magnus Laird, who is Caterham's motorsport consultant. Simon Nearn, Caterham's MD, will also be about.

A word about hospitality in the Race Centre. This year lunch will be provided on both days of the race meeting, and there will be tea, coffee and biscuits on the go all weekend. Lunch is strictly for drivers, their spouses, and teams only; I'm afraid it is not a free-for-all for friends and extended family, and this policy will be enforced at all meetings. If you need to entertain sponsors or other guests it is possible, but only by prior arrangement with Alan Sycamore. Alan's numbers are 01908 501896 or 07836 253343.

Decals: championship decals will be with teams by the middle of this week. Further supplies will be available from the Race Centre during the season.

Race licences

My request for photocopies of your race licences has met with a predictably poor response. Please bring them to the circuit with you, OK?

Team prize

The Matt Bettley Memorial Team Award will continue this season. For this season it is the team manager's responsibility to inform me before the start of the first of the day's races of his two nominated drivers for the day. These may be changed at the next meeting if desired...

See you at Donington
