## The Dijon rounds

Fantastic weather and fantastic racing; well done to Jon Barnes and to Chris Reynolds, and to Team Parker Racing, for their excellent victories and for setting up such an exciting finale for us.

There were was rather too much bent machinery at the end of the first race for my liking. Just remember where you are for the next races and that the eagle eyes of the British race stewards will be upon you all...

## Caterham Festival

And so to our grand finale at Brands Hatch; you should all have had a copy of the timetable, but it's attached herewith once more in any case.

What is not listed on the timetable is the Eurocup free practice session, which will be on the Friday afternoon at approximately 4 or 4.30pm, a separate test session solely for the Eurocup runners.

The BRSCC have received entries from the following:

Ralf Schmid  
Rachel Green  
Steve Knox  
Simon Lambert  
Paul Allen  
David Knox  
Sarah Reader  
Oliver Bull  
Jamie Constable  
Chris Reynolds  
Steve Hindle  
Mark Harris

If your name is not among the above, I suggest you get your skates on. I can email entry forms on request. They must all go to the BRSCC, with payment made to them, and **not** to this office... Closing date is tomorrow, Friday 24th.

## German rounds

Some of you have expressed an interest in contesting the two separate German championship races in addition. As you will see from the timetable the Eurocup race one and German race one are back to back, so it will be very tight.

However, Ian Millar has agreed to release those affected from parc ferme and, so long as you refuel in your pit garage and nowhere else, and can make the grid in time, then it's possible. If you haven't already done so, you will need to make a separate entry for this to the BRSCC.
