## Assen final details

Just a few points to clear up with regard to the Dutch rounds next week...

Some of you have asked which circuit will be in operation; the answer is that it will be the only layout which is licensed for cars (rather than bikes), which is the 3.8km track.

## Pit garages

Rudi Phillip tells me that there are five garages reserved for Caterham teams, each 12x6m; I am sure that you can arrange yourselves within the space available... Price per garage is 215.00 Euros for the weekend, payable locally.

## Assen passes

No passes are being issued. They can be collected from the Welcome Centre at the circuit on the Thursday from 1500-2100.

If anyone has any difficulty making those times, please let me know and I will pass on your arrival time to Rudi.

## Timetable

And finally to confirm the timetable...

### Friday

Testing 1115-1135 (extra fee)  
Free practice 1205

### Saturday

Qualifying 1115  
Race 1530

### Sunday

Looking forward to seeing you all at Assen; I shall arrive Thursday evening and will be contactable on 07803 274701.
