RACE ENTRY PACK 2004

INTRODUCTION:

Welcome to the BRSCC's new entry pack. With the new race entry procedures put in place for 2004 all entries will now be dealt with by BRSCC HQ so we can now offer a number of new services to our members.

One of these is the "2004 BRSCC Race Entry Service". This enables you to manage your entries at the start of the season, see below for full details on this new facility.

Another new service we hope you will find useful is access to race entry lists via our website. **Entry lists will be displayed on www.brscc.co.uk** on the closing date of each event, along with up to date timetables and other event info.

The BRSCC individual event entry form has been revamped and is now "universal" enabling you to use it for any of your Championship rounds. No more hunting round for that dated entry form!

The BRSCC Race Entry Secretary will be pleased to help you with any queries you might have regarding your race entry they can be contacted via phone: 01732 848884 fax 01732 848989 or email: entry@brscc.co.uk.

We hope you will find our **New Race Entry Pack** easy and simple to use, if you have any comments on the pack please feel free to let us know as we are always looking for ways to improve our service to our members.

ENTRY PACK CONTENTS:

- Supplementary Regulations specific to your Championship.
- BRSCC Circuit Safety Guidance Notes
- BRSCC Race Entry Service specific to your Championship.
- Four Universal BRSCC Entry forms specific to your Championship. More copies are available from the BRSCC website. www.brscc.co.uk or on request.

RACE ENTRY SERVICE:

With all entries now being handled in one central place we are now able to offer an efficient race entry service. This will allow you to manage your race entries at the start of the season, preventing missing out on grid space and avoiding late entry fees. By entering all rounds at the start of the year all you need worry about is getting yourself to the circuit and enjoying your weekends racing.

With our cancellation policy of a full refund if you notify us in writing before midday on the Tuesday prior to the event, what have you got to lose?

The Race Entry Service has been designed with simplicity in mind you will find full instructions inside.

6	JACKS AND AXLE STANDS.	14	INCIDENT REPORTING.
7	GENERAL WORKING PRACTICES.	15	MSA/ACU REGULATIONS.
8	NOISE.		

1. STORAGE AND USE OF PETROLEUM SPIRIT.

All petroleum spirit must be stored in metal containers complying with the relevant British Standard, away from any source of ignition.

All containers must be indelibly marked Petroleum Spirit - Highly Flammable.

All empty containers must be removed from the venue after the event.

Petrol is to be used as a fuel only, and not for any other purpose.

All vehicle refuelling is to take place in the open air. The person in charge of the refuelling process must enforce a no smoking ban.

Your attention is drawn to the Petroleum (Consolidation) Act 1928 and the Petroleum Spirit (Motor Vehicles) Regulations 1929.

Competitors and entrants are reminded that fuel is available for sale at the circuit. As such it is unnecessary for competitors to carry large quantities of fuel inside vehicles.

2. HAZARDOUS SUBSTANCES

Some vehicle parts, for example brake and clutch linings contain asbestos. Entrants are encouraged to use non asbestos Substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.

Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.

Various other substances may cause disease or ill health even after very short exposures. Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request.

Where any person is at work, the requirements of the Control of Substances Hazardous to Health (COSHH) Regulations 1988, must be complied with.

The Championship Regulations must always be complied with when selecting vehicle parts.

3. ELECTRICAL SAFETY

All electrical equipment must be maintained in a safe condition.

Extension lead cables should be flexible and not of semi rigid cable of the type used for household wiring. Neoprene covered cable will resist damage by oil.

All electrical equipment to be used externally should be weather proof.

Hand tools should preferably be of the double insulated or all insulated type, as these provide valuable protection against electric shock.

Electrical equipment and hand tools should not be used in areas where flammable vapours may be present, for example where fuel is being stored or refuelling is taking place.

Where any person is at work the requirements of the Electricity at Work Regulations 1989 must be complied with.

4. FIRE PRECAUTIONS

Smoking is prohibited in all pit garages and in the pit lane.

All potential sources of ignition should be kept away from petroleum spirit and vapours.

The lighting of barbecues is prohibited in the paddock and pits area.

All teams should carry a suitable fire extinguisher in accordance with the MSA and ACU regulations.

Fire extinguishers should not be removed from fire points unless they are to be used on a fire.

All fires must be reported immediately to an official or member of the venue management.

Teams are encouraged to train their members in the correct use of fire extinguishers.

5. COMPRESSED AIR OR GAS EQUIPMENT

Air blasts from the inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures greater than recommended by the manufacturer.

All airlines should be in good condition and be inspected regularly.

Always stand clear when inflating tyres.

Any form of horseplay involving compressed air or gas is prohibited.

Compressed gas cylinders should be stored in accordance with the relevant working practices.

Where any person is at work the requirements of the Pressure Systems and Transportable Gas Containers Regulations 1989, must be complied with.

Caterham R400 Challenge 2004

6. JACKS AND AXLE STANDS

Vehicles should only be raised on jacks, which are in good condition, and rated to lift the vehicle weight safely.

Jack vehicles only on level undamaged floors.

Use the handbrake and/or chocks to stop the vehicle moving.

Jacks should only be used for lifting the vehicle. Axle stands should always be used to support the vehicle weight.

Vehicle engines should not be run whilst the weight of the vehicle is supported by axle stands.

7. GENERAL WORKING PRACTICES

All working areas should be kept clean and tidy and any waste should be removed regularly and placed in the containers provided.

All spillages should be cleaned up immediately.

All trailing wires and hoses should not be allowed to create trip hazards.

Wherever vehicle engines are being run, adequate ventilation must be ensured.

All safety notices must be complied with.

Any person carrying out any work must ensure that they adopt safe working practises at all times, and comply with any relevant statutory provisions and/or published guidance.

Children under the age of 16 are not allowed in the pit area or pit lane.

8. NOISE

Exposure to excessive noise may result in hearing loss or other complaints. These may be short term, or, after repeated exposure, permanent.

All persons should avoid being exposed to excessive noise and where this is unavoidable, they should wear ear plugs or defenders to the appropriate British Standards.

Where any person is at work the requirements of the Noise at Work Regulations 1989, must be complied with.

9. MANUAL HANDLING OF LOADS

Lifting, carrying and propelling loads by bodily force is a major cause of injury. All teams are encouraged to train their members in safe manual handling techniques.

Where any person is at work the requirements of the Manual Handling of Loads Regulations 1992 must be complied with.

10. WASTE

All waste oil must be placed in the containers marked waste oil.

Waste tyres and empty petrol/oil containers should not be left at the venue.

Teams and competitors are urged to take any other form of waste with them when they leave the venue, or to place it in the refuse containers provided.

Your attention is drawn to the requirements of the Environmental Protection Act 1990.

11. VEHICLE SAFETY

A 10 mph speed limit is in force in all public areas, including paddocks and service roads at all motor race circuits. This applies to all vehicles, including mopeds and motorcycles, with the exception of emergency vehicles attending an incident.

Persons riding mopeds and motorcycles up to a capacity of 125cc. must have a current UK provisional driving license or it's international equivalent.

Persons riding motorcycles with a capacity of greater than 125cc must have a current full UK motorcycle license or it's international equivalent.

Motorcycles should not be ridden in spectator areas.

All vehicles must at all times keep to the marked roads when moving around the venue.

12. FIRST AID

Any person sustaining an injury or feeling unwell should seek treatment from the on site emergency services.

To call the first aid or emergency services contact any official or member of the venue management.

13. PUBLIC SAFETY

Competitors and entrants should be aware that the Paddock may be open to the public and should act in a manner so as not to put either themselves or any other person at risk from injury.

Competitors and entrants should exercise particular caution when the paddock is busy and during pits and track walkabouts.

14. REPORTING OF ACCIDENTS AND INCIDENTS

All accidents where any person sustains injury, or where damage to property occurs, must be reported immediately to an official or a member of the venue management

15. MSA/ACU REGULATIONS

Competitors and entrants are reminded of their obligations to comply with the requirements of the appropriate sporting regulations at all times and these Guidance Notes should be read in conjunction with all other relevant regulations.

UNIVERSAL ENTRY FORM

DECLARATION

1. I declare I have been given the opportunity to read the General Regulations of the Motor Sports Association and, if any, the Supplementary Regulations for this event and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so. I acknowledge that I understand the nature and type of the competition and the potential risk inherent with motorsport and agree to accept that risk. Further I understand that all persons having any connection with the promotion and/or organisation and/or conduct of the event are insured against loss or injury caused through their negligence.

2. To the best of my belief the driver(s) possess(es) the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and roadworthy for the event having regard to the course and the speeds which will be reached.

3. I understand that should I at the time of this event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of the vehicle, I may not take part unless I have declared such disability to the ASN, who have, following such declaration issued a licence which permits me to do so.

4. Any application form for a licence which was signed by a person under the age of 18 years was countersigned by that person's parent/guardian/guarantor, whose full names and address have been given.

5. If I am the parent/guardian/guarantor of the driver I understand that I have the right to be present during any procedure being carried out under the Supplementary Regulations issued for this event and the General Regulations of the MSA
