

Newsletter JUNE 2005

SILVERSTONE

You should have received your final instructions for this event. Please read carefully, especially item 13. Race Start Procedure. For those of you racing on the National Circuit for the first time you must attend a first time drivers briefing which will be held at the following times:

Saturday 08.15 09.00 10.00 and 11.30 am. You must attend one of these briefings before practice.

Please do not forget that we have our special Championship briefing, to be taken by the Senior Clerk, Bernard Cottrell, to be held at 13.15 on the first floor of race control.

Both these briefings are mandatory and you will be fined if you do not attend.

I will ask for trophies to be presented on the podium, as you requested. If time does not allow this they will be presented at prize giving, along with the Minister Driver of the Day trophies. This will take place at the end of the Roadsport Inter race on Saturday,

at approximately 4.30, beside Caterham Midlands awning.

On Sunday, time permitting, I will present Roadsport B awards as soon after the race as possible, likewise for Inter.

BRANDS HATCH August 13/14

I am attaching supplementary regulations for this event, which is being run by the Jaguar Enthusiasts Club. Please read carefully as they differ to BRSCC final regulations. BITS AND BOBS

Cosworth Caterham Masters in Valencia

I am sure that most of you know by now that Nathan Bell (R400) and Neil Fletcher (Roadsport Inter) competed their first CSR drive in Valencia last weekend, and they won the first race and came second in the second! Congratulations to both of you, fantastic achievement.

Charity Push Bike Race at Snetterton

If you are racing, marshalling or spectating at Snetterton on Sunday 17th July, don't forget to take you push bike along. There will be a two lap charity bike race during the lunch interval in aid of Cancer Research UK. The race is free to enter, just pop into race admin during the morning.

Shared Drives

The BRSCC have advised that there will be an additional fee of £25 for each shared drive car. This is due to the fact that for insurance purposes, the MSA charge the BRSCC per driver and not per car, therefore this additional fee is necessary.

UK Endurance Series Snetterton

If you are interested in competing in the above, there is a race available on August 20th and 21st at Snetterton, providing 2 x 45 minute races on each day.

This is an event for one or two driver teams in closed wheel sports cars.

If you want further details and entry forms, please contact Clive Denham on 01923 269306 or 07836 638769
