Just to confirm my e mail re the abolition of driver reps. If any of you have a concern re the championship please speak to me, if you have a concern or complaint regarding myself please speak to Magnus Laird or Simon Nearn.

I would like to thank JM Littman and Darren Ashley for their initial input and look forward to

their continued support throughout the rest of the championship.

CLASS A HOSPITALITY

You will be delighted to know that Caterham have decided to purchase an awning similar to the one currently used by Roadsport B. The idea is to join the two together in the paddock, where you can shelter from the elements and partake of tea, coffee and maybe the odd biscuit or two. Volunteers will be needed at each round to help put the awnings up, so please be prepared to help.

Steve Hindle as very kindly agreed to offer refreshments to you for a small fee, details will be given later, but this will be available at Snetterton.

Congrats to you all for some wonderful racing at Silverstone, it really was thrilling to watch, exactly what we expect from Caterham racing!!

See you all at Snett.
