

CATERHAM ROADSPORT CHALLENGE

NEWSLETTER

Date 2002

June 02

Hi guys, hope you are all enjoying the football, must be why my phone and e-mail is so quiet at the moment. No doubt you are enjoying this long break between rounds and making the most of the wonderful summer we are having.

Seems a long time since our trip to bonny Scotland, not so bonny for some unfortunately. I will keep you informed as to a replacement race for the A Class, I cannot confirm that a replacement race will be available but the question has been asked.

I would like to thank all Class A competitors, and their supporters, for your patience and co-operation regarding the problems we had at Knockhill.

As we were unable to complete Class A prize giving, this will take place at Brands Hatch.

I can confirm that if the A class do not get a replacement round, the championship will be decided on 7 from 9 rounds and not 8 from 10. The cancelled round cannot be used as a dropped score either. Hope this makes sense.

I made a mistake in the B Class results, I gave Tony Lawrence fastest lap in race one, this honour did in fact go to John Gaw, and results have been amended.

NURBURGRING 24 HOURS

Congrats to all concerned in the wonderful success of the Caterham Superlight in the 24-hour race on the 7th June. The Superlight was driven to a resounding class victory and 11th place overall. This was a huge team effort between amongst others, Caterham, Minister Racing Engine, the four drivers and Team Parker Racing.

GOODBYE AND GOODLUCK

We say goodbye to two Caterham personnel, Caroline Thomlinson from Sales, who you all know as Andy Noble's right hand lady, and Charles Hayhurst from the Factory. Bon voyage to Caroline who is going travelling for a year, and Good Luck to Charles in his new job.

HOSPITALITY

We are lucky enough to have Steve Hindle supplying refreshments at Brands Hatch, please don't be shy in helping with the awnings.
